

## Ideation Phase

### Empathize & Discover

Date	18 October 2022
Team ID	Team - 592719
Project Name	Project - Jungle Detectives: AI-Powered Image Classification of Wild Big Cats
Maximum Marks	4 Marks

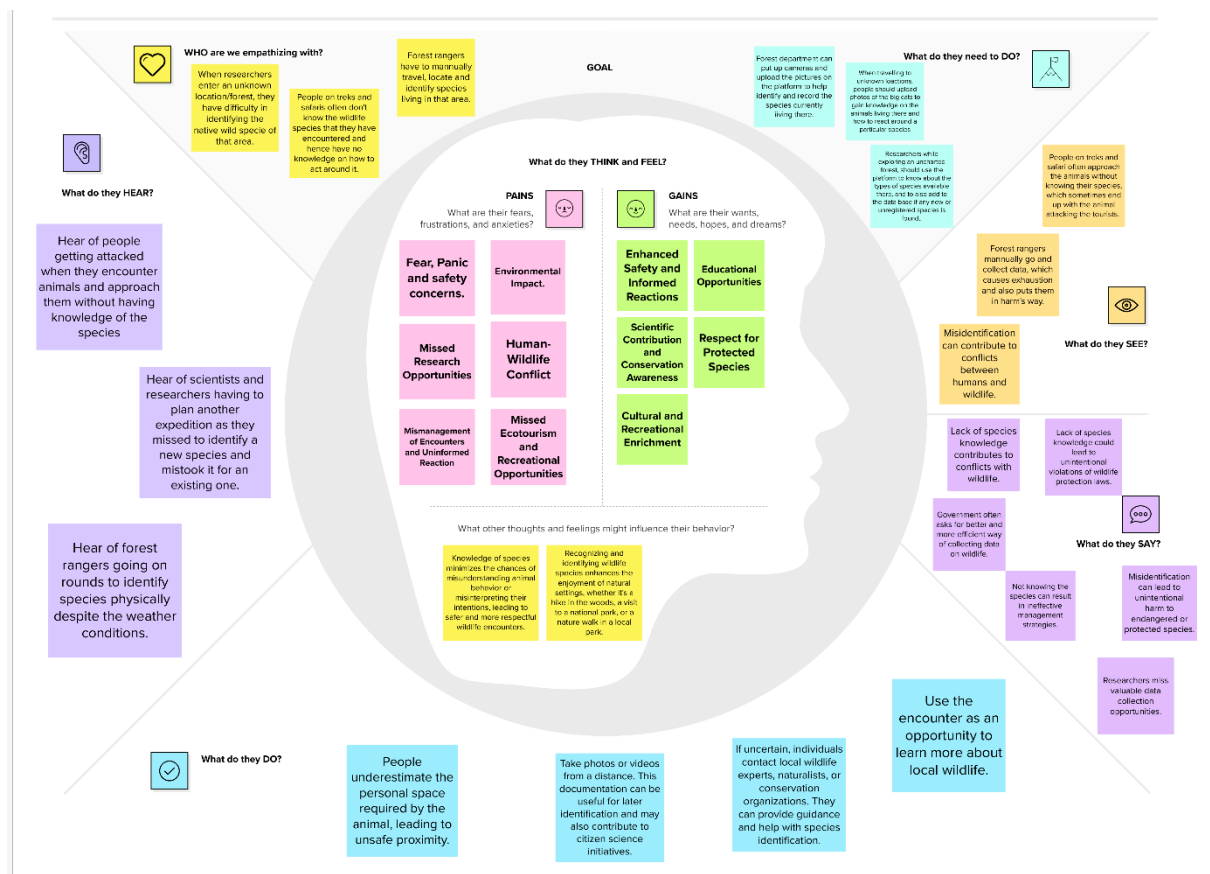

### Empathy Map Canvas:

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviours and attitudes.

It is a useful tool to help teams better understand their users.

Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.
